Reporting the Acceptance of a Peer-Reviewed Journal article and Opting of Research Releases
(one form per accepted article)

Date: **Name of the Reporting Author**:

Article Title:

Journal Name:

Journal Category (A1/A2/A3/A4):   **Total # of authors**:
(List on the Eberly web page)

Acceptance Date: **Calendar Year**:   **Check one**:   Sept. 1 to Dec. 31
(MUST attach acceptance letter and manuscript)   Jan. 1 to Aug. 31

Please fill out the following table considering the policies for research releases, some of which are summarized in the picture below the table (journal category, external authors, authorship sequence, only top three authors receive RR's for A3/A4 journals, releases can't be banked—they will start from the first eligible semester—for a Sept. 1 to Dec. 31 acceptance, the corresponding RR's will start from the subsequent Fall semester and for a Jan. 1 to Aug. 31 acceptance, the corresponding RR's will start from the subsequent Spring semester). For full details, refer to the policy on the Eberly web page.

Author (please specify in sequence)	# of releases

Signatures of all Eberly co-authors (in the case of electronic submissions, all authors must be copied):

Please drop off hard copy with Mrs. Karyl Miller (Room 313) or send this form, the acceptance letter, and the manuscript in one email to her at kmiller@iup.edu. Thank you!

Eberly Journal Level	Total AWLs per PRJ	Maximum AWLs per Faculty
A1	9	6
A2	9	6
A3	7	4
A4	4	2

If the Journal is catergorized as A3 or A4, only the first 3 authors can receive AWLs

The # of AWLs per PRJ
For Author 1>= For Author 2>=
For Author 3>= For Author 4>=

For an author with consecutive articles accepted in an A4 journal without any A3, A2, or A1

If there are external authors(s), the Total AWLs per PRS will be reduced as follows:
If 1st author is external: Minus 3
If 2nd author is external: Minus 2
If 3rd author is external: Minus 1
