## Diversity and Inclusion D2L Resources

DISC is happy to announce that the [Diversity and Inclusion D2L Resource Page](#) has been updated. We hope that these resources aid COEC faculty and staff in empowering themselves and empowering our students. DISC will continue to make this resource a more effective tool for the COEC by publishing the page in phases, detailed below.

☰ Syllabus Planning	6
☰ Race & Ethnicity	23
☰ Gender & Sex	10
☰ Sexual Orientation	9
☰ Disability Justice	13
☰ Faith & Sprituality	3
☰ Socio-Economic Status	6
☰ Indigeneity & Colonialism	7
☰ Intersectionality	6

Phase 1, published in Fall 2021, features resources broken into topics based on identity dimensions, as shown to the left. Under each topic are categories – articles, videos, etc. These resources are intended to promote an appreciation for diversity and inclusion and encourage departmental dialogue and experimentation within the College. We hope that COEC faculty will be able to use this site to **reflect**, **share** resources, **experiment**, and **transform** the curriculum, instruction, and assessment you design for IUP students.

Phase 2, planned to be published in Spring 2022, will include teaching ideas/activities and interactive discussion boards. Please send any diversity-related teaching activities for consideration as well as any questions, comments, or concerns to [coec-diversity@iup.edu](mailto:coec-diversity@iup.edu).
