

HEALTH SERVICES ADMINISTRATION, Master of Science

College of Health and Human Services

“Earning a master’s of Health Services Administration from IUP prepared me as I transitioned into my new role as a cardiac rehab and cardiovascular manager at Conemaugh Nason Medical Center. The advanced education and experiences I received through this program made me a competitive applicant and greatly improved my understanding of the administrative side of healthcare.”

Alison Caddy, a Cardiac Rehab Manager/Cardiovascular Manager, was named to Pennsylvania Business Central’s Signature Leaders Under 30 List in 2021

PROGRAM HIGHLIGHTS

Provides students with the necessary knowledge and decision-making skills needed for a career in the fast-paced field of employment relations and healthcare.

- **Relevant**— Program offers a unique combination of policy, health care administration, and employment relations all in a single program.
- **Supportive**— Work one-on-one with actively engaged professors.
- **Convenient**— Courses meet during evening hours, accommodating your needs as either a full-time or part-time student.
- **Flexible**— Program offers both online or on-campus. Synchronized learning allows working professionals and long-distance students the ability to attend via video that allows interactions with professor and students.
- **Early Admit** – start a Master’s while completing your undergraduate degree.
- **Dual Enrollment** – Earn a degree in both Human Relations and Health Services Administration.

CAREER OUTCOMES

Make a difference in the world through job opportunities in hospitals, clinics, nursing homes, insurance companies, health organizations, etc. or you can continue to doctoral studies.
