How will student interaction take place? Is there a course outline of what will be take place and when? How will Web-CT be used to accomplish the objectives? A subcommittee will view the CD and make recommendations. Permission for a subcommittee to give approval during the summer was given, if the subcommittee members feel that these issues have been addressed.

- XIV. 04-82a MGMT400 Compensation Management, distance education

List of objectives missing from on-line version. Provisionally approved on Sadler/Soule motion.

- XV. 04-82b MGMT 459 Seminar in International Management, distance education
