IV. Liberal Studies Report—with courses

Motion to NOT recommend approval of HOSP 245 at this time as a GMA course.

The LSC recommends: 1) the proposer revise the SLOs to be student focused (i.e., what the student will be able to do) rather than professor focused and that they be measurable, 2) the proposer more closely align the course revision to the GMA criteria and explain that alignment in the rationale, 3) the proposer clarify if the GMA revision is meant to serve HOSP students only or as an LSE for others as well, 4) the proposer select an LSE category (under field C1 – Global citizenship) if the course is meant to serve students other than those pursuing HOSP, 5) the proposer clarify the title of the course, as it appears differently in the proposal than in the catalog, 6) the proposer include a revised course outline to demonstrate the GMA content.
