3 credits
3 lecture hours
0 lab hours
(3c-0l-3sh)

Prerequisites: Advisor's permission; EH majors

Deals with the different approaches used in teaching persons with hearing loss -- manual language, oral language, and total communication. Historical background of each approach is presented with its strengths and weaknesses. Criteria for the use of each approach established in consideration of degree of loss exhibited by the pupil, age of onset, and the social and psychological implications.

*All new course descriptions are repeated on separate sheet for Catalog editor.

2. Proposed Changes:

Old title and number:	EH 114: Introduction to Hearing Impaired
New title and number:	EH 114: Introduction to Persons with Hearing Loss

3. Justification/rationale

Course name is to be changed to be consistent with new program name. (Note: Minor wording change in the catalog description is also necessary to be consistent with this new terminology.)
