Rationale for Proposed Changes (All Categories)	
(A) Why is the course being revised /deleted:*	The removal of prerequisites is being made to allow our students to flow through an academic developmental process in the early semesters of their plan of studies. Current prerequisites for ECSP 112,which lack a solid pedagogical foundation for inclusion as prerequisites,can often cause a holdup that can interrupt the continuity of the curriculum for students, who are often internal and external transfers, creating gaps in their knowledge bases.

(B) University Senate Summary of Rationale*	*Please enter a single paragraph summary/rationale of changes or proposal for University Senate.*
(C) Implications of the change on the program, other programs and the Students:*	This prerequisite change will allow smoother program operations and facilitate a drop in the number of prerequisite overrides issued every semester.
