Rationale for Proposed Changes (All Categories)

<p>(A) Why is the course being revised /deleted:*</p> <p><i>Please be specific - this should be have more detail than the Summary for the Senate.</i></p>	<p>EDEX 340 Introduction to Behavior Management in Special Education is a course utilized by two programs, Special Education and Disability Services. The cross listing is being requested so, when offered, the course prefix reflects the program offering the course. The request is based on feedback from the Disability Services Five-Year review that pointed out the paucity of courses bearing Disability Services program prefix (DISB). There are only five courses listed in the catalog with the DISB prefix and only one of those courses is in the major. The outside reviewer's suggestion was to cross list the EDEX courses currently used by Disability Services to reflect the program's prefix given that no other substantive changes would need to be made in the courses except the addition of the new prefix and associated prerequisite prefix changes.</p> <p>EDEX 114 Atypical Development in Infants, Children and Adolescents is a new course addressing all aspects of human development in persons with disabilities form birth to adulthood. This course was designed specifically to meet the needs of students in the Disability Services and Special Education K-12 with Reading Specialist programs. Ergo, the need for change in prerequisites</p>
