Rationale for Proposed Changes (All Categories)
--

<p>(A) Why is the course being revised /deleted:*</p> <p><i>Please be specific - this should be have more detail than the Summary for the Senate.</i></p>	<p>EDEX 460 Family Perspectives on Disability is a course utilized by two programs, Special Education and Disability Services. The cross listing is being requested so, when offered, the course prefix reflects the program offering the course. The request is based on feedback from the Disability Services Five-Year review that pointed out the paucity of courses bearing Disability Services program prefix (DISB). There are only five courses listed in the catalog with the DISB prefix and only one of those courses is in the major. The outside reviewer's suggestion was to cross list the EDEX courses currently used by Disability Services to reflect the program's prefix given that no other substantive changes would need to be made in the courses except the addition of the new prefix and associated prerequisite prefix changes.</p>
<p>(B) University Senate Summary of Rationale*</p>	<p><i>Please enter a single paragraph summary/rationale of changes or proposal for University Senate.</i></p> <p>EDEX 460 Family Perspectives on Disability is a course utilized by two programs, Special Education and Disability Services. Nothing substantive in the course is changing except the addition of the new prefix and associated prerequisite prefix changes.</p>
<p>(C) Implications of the change on the program, other programs and the Students:*</p>	<p>There are no implications from this change to the Special Education or Disability Services programs and/or the students.</p>
