Rationale for Proposed Changes (All Categories)	
(A) Why is the course being revised /deleted:*	A course title change is being proposed to reflect changes we are making to the program to better reflect a broader and more current understandings of how the term "TESOL (Teaching English as a Second or Other Language)" can be seen to reflect a deficit model of language acquisition. The term "TESOL" is most closely associated with pedagogy programs. Across the nation, these programs are most typically MA-level programs. Applied Linguistics is a broader term and encompasses more approaches and broader areas of research than just TESOL. The new term broadens the appeal of the program to those interested in teaching languages other than English. Understanding composition for multilingual individuals is not theoretically limited to those whose focus is English. The old Composition and TESOL name inherently implies that aspect.

(B) University Senate Summary of Rationale*	<p><i>Please enter a single paragraph summary/rationale of changes or proposal for University Senate.</i></p> <p>The course title is being changed to reflect a broader and more current understanding of how the term "TESOL (Teaching English as a Second or Other Language)" can be seen to reflect a deficit model of language acquisition.
