Liberal Studies

Gail,

At a faculty meeting on Monday, February 24th, the Geography & Regional Planning faculty decided on the following changes to the Department's curriculum, based on changes in the curriculum of the Biology Department.

For the BA Geography - Environmental Geographer, BA Geography - Energy Geotechnology/ Energy Environmental Compliance, and BS - Regional Planning/Environmental Planner concentration, we would like to remove BIOL 103-104 as a recommended sequence for Natural Science.

For GEOG 345 and RGPL 345, we would like to retain BIOL 103 as a prerequisite.
Thank you, John.

John Benhart, Jr. Ph.D.
