## **Part II. Description of the Curriculum Change**

- 1) A catalog description.

**GE 411 History of Geography**

3c-01-3sh

Seminar limited to junior and senior majors with at least 12 semester hours in geography. Deals with history of the discipline, great ideas, leading problems, and unresolved issues.

- 2) Change of name from **GE 411 Geography: Thought and Philosophy** to **GE 411 History of Geography**.

- 3) Justification/rationale for the revision.

This course whose primary emphasis has been the history of geography is more accurately entitled the History of Geography, the informal department name for many years. The present title, Geography: Thought and Philosophy, inadequately conveys the course as taught and as described in the current catalog.
