Part II. Description of Curriculum Change

1. Catalog Description

IFMG 493 Internship in MIS

var class hours
0 lab hours
var credit hours

Prerequisites: IFMG 352 and 450, consent of department chairperson

(var-03-12cr)

Positions with participating business, industry, or governmental organizations provide the student with experience in systems analysis. Note: Internship IFMG 493 can be taken as a 3-credit major-area elective requirement.

2. Old catalog description and the revised description.

Old catalog description:

IFMG 493 Internship in MIS

var class hours
0 lab hours
var semester hours

Prerequisite: IFMG 370, consent of department chairperson and dean.

(var-03-12sh)

Positions with participating business, industry, or governmental organizations provide the student with experience in systems analysis. Note: Internship IFGM 493 can be taken, if the student qualifies, as a general elective. It does not fulfill the major-area elective requirement.

Revised description:

IFMG 493 Internship in MIS

var class hours
0 lab hours
var credit hours

Prerequisites: IFMG 352 and 450, consent of department chairperson

(var-03-12cr)

Positions with participating business, industry, or governmental organizations provide the student with experience in systems analysis. Note: Internship IFMG 493 can be taken as a 3-credit major-area elective requirement.

3. Justification/rationale for the change.

There are two reasons for this change.

- A. IFMG 370 is no longer a required course for MIS majors so it is important to update the prerequisites for the MIS internship.
- B. The department wishes to allow students to use the IFMG 493 Internship in MIS as one way to fulfill 3 credits of their MIS Major controlled electives.

Part III. Letters of Support or Acknowledgement

Not applicable.
