Part II. Description of Curriculum Change: Change of Course Title, Change of Prerequisites, and Change of Catalog Description

New Course Title

1. HPED 335 Athletic Coaching

3c-01-3cr

Prerequisites: None

Prepares students for coaching or administering an athletic program. Emphasizes the professional preparation and responsibilities of a coach, the support and auxiliary personnel working under the coach, the coach's responsibility to the athletes, plus the administrative responsibilities of coaching.

Old Course Title

2. HPED 335 Coaching and Managing Athletic Programs

3c-01-3cr

Prerequisites: None

A lecture course to prepare students for coaching or administering an athletic program. Emphasizes the professional preparation and responsibilities of a coach, the support and auxiliary personnel working under the coach, the coach's responsibility to the athletes, plus the administrative responsibilities of coaching.

Justification for the Change

The current trend in coaching education courses is to name the basic course Athletic Coaching. The title reflects the up-to-date title for this type of course in sport education. The responsibility of a coach has evolved into more of a management position within their profession and is commonly accepted as a normal duty therefore this duty does not need to be in the course title.
