Check all appropriate lines and complete information as requested. Use a separate cover sheet for each course proposal and for each program proposal.

1. Course Proposals (check all that apply)

New Course Course Prefix Change Course Deletion
 Course Revision Course Number and/or Title Change Catalog Description Change

Current Course prefix, number and full title HPED 343
Physiology of Exercise

Proposed course prefix, number and full title, if changing

2. Additional Course Designations: check if appropriate

This course is also proposed as a Liberal Studies Course. Other: (e.g., Women's Studies, Pan-African)
 This course is also proposed as an Honors College Course.

3. Program Proposals

New Degree Program Catalog Description Change Program Revision
 New Minor Program Program Title Change Other
 New Track

Current program name

Proposed program name, if changing

4. Approvals	Date
Department Curriculum Committee Chair(s)	<i>Richard Hsiao</i> 04/06/2012
Department Chair(s)	<i>Elaine Stein</i> 4/6/12
College Curriculum Committee Chair	<i>Janku Wachtel</i> 4/11/12
College Dean	<i>Mary E. Sunde</i> 4/16/12
Director of Liberal Studies *	
Director of Honors College *	
Provost *	
Additional signatures as appropriate: (include title)	
UWUCC Co-Chairs	<i>Gail Sedquist</i> 4/19/12

* where applicable

APR 17 2012

Liberal Studies

These were resubmittals to correct an issue that the department had. When they submitted them--last year or so I believe they stated in the preq line HPED major which they thought would cover all of their majors. It did not--the registrar's office needed a separate code for each major in the department. I brought the issue to UWUCC and there was agreement that this be submitted to Senate as a correction. So it is correcting an error from the previous year's proposal. We could prepare a sheet to explain this that could be attached to the original proposals.
Gail

Taken from Senate Minutes of April 30, 2013

i Current Catalog Description:

APPROVED

HPED 343 Physiology of Exercise

3c-0l-3cr

Prerequisites: HPED major and a grade of C or higher in HPED 221 or C or higher in BIOL 150

Physiological effects of exercise in humans. Major factors of diet, conditioning, physical fitness, maximum performance level, and fatigue.

Proposed Catalog Description:

HPED 343 Physiology of Exercise

3c-0l-3cr

Prerequisites: HPED, PESP-EXSC, ATHL majors and a grade of C or higher in HPED 221 or C or higher in BIOL 150

Physiological effects of exercise in humans. Major factors of diet, conditioning, physical fitness, maximum performance level, and fatigue.

Rationale: When the department revised the catalog descriptions to include HPED major they assumed that it would cover all of the students in the department majors. This has not been the case so the additional major codes are being added to facilitate registration for all of these majors.

Part II. Description of Curriculum Change

1. Catalog Description (new):

HPED 343 Physiology of Exercise

3 class hours
0 lab hours
3 credits
(3c-01-3cr)

Prerequisite: HPED Major and C or higher in HPED 221 Structure and Function or C or Higher in BIOL 150 Human Anatomy

Physiological effects of exercise in humans. Major factors of diet, conditioning, physical fitness, maximum performance level, and fatigue

2. Proposed Changes

➤ Prerequisites

Current Description:

HPED 343 Physiology of Exercise

3 class hour
0 lab hours
3 credits
(3c-01-3cr)

Prerequisite: C or better in HPED 221

Physiological effects of exercise in humans. Major factors of diet, conditioning, physical fitness, maximum performance level, and fatigue

Proposed Description:

HPED 343 Physiology of Exercise

3 class hour
0 lab hours
(3c-01-3cr)

Prerequisite: HPED Major and C or higher in HPED 221 Structure and Function or C or Higher in BIOL 150 Human Anatomy

Physiological effects of exercise in humans. Major factors of diet, conditioning, physical fitness, maximum performance level, and fatigue

3. Justification/Rationale:

The exercise science program is accredited by the Commission on Accreditation of Allied Health Education Program (CAAHEP). The certification requires course sequencing and academic standards to be in place to maintain accreditation.

Part III. Letters of Support or Acknowledgement:

NA
