Part II. Description of Curriculum Change

1. Catalog description

A department name change is proposed. The new department name, Kinesiology, Health, and Sport Science, will replace the current name, Health and Physical Education, in the undergraduate catalog. All references in the catalog to the department will need to reflect this change.

2. Proposed Change

All references in the catalog to the Department of Health and Physical Education will need to be changed to the Department of Kinesiology, Health, and Sport Science. ~~Also, when the department is referred to in the catalog as HPED, it will need to be replaced with KHSS.~~ * This name change will affect only the name of the department and will not affect names of individual programs within the department.

3. Justification/Rationale

The change in department name is proposed for two primary reasons. The new name will reflect more current terminology in the professional discipline, and it will also more accurately represent the diverse programs offered within the department.

*An amendment was made in Senate to remove this sentence.
