

ADJUSTMENTS TO MAJOR PROGRAMS

College of Business: [previously passed by UWUCC, but still in need of Senate action.]

Approved

Slight Change: BS Accounting
BS Office Administration
BS Management
BS Human Resource Management
BS Marketing
BS Finance
BS in Management Information Systems
BS in Business/Pre-Law

Move EC 122 Principles of Economics from Business Core to Liberal Studies Electives and increase free elctives by 3.

College of Education:

Routine: BS Communications Media

College of Humanities and Social Sciences:

Routine: BA German
BA German for International Trade
BS in Ed Secondary German Education
BA Geography
BS Regional Planning
BS in Ed Social Science/Geography concentration

College of Human Ecology and Health Sciences:

Slight: BS Physical Education and Sport
BS in Ed Health and Physical Education

Require FN 140 Nutrition and Wellness in the Liberal Studies Health and Wellness category

Final Report on Curriculum Adjustments:

The only programs for which the UWUCC has not approved adjustments are those housed in the departments of Art and Art Education, Music, and Professional Studies in Education. These departments are undertaking more substantial revisions to their programs and have been told to submit proposals directly to the UWUCC. Therefore, this is the final report of the Juliette/Duntley/Cashdollar ad-hoc committee on adjustments to major programs.

Approved
3/23/89
