Description of Curriculum Change

Catalog Description Change: MUSC 157 Class Percussion I

1. Current Catalogue Description

MUSC 157 Class Percussion I

1c-1l-1cr

A practical introduction to the various instruments of the percussion family. Students demonstrate correct playing techniques and develop a resource file containing information on percussion instruments and instructional materials as needed by the school music teacher.

2. Proposed Catalogue Change

MUSC 157 Class Percussion I

1c-1l-1cr

Prerequisite: MUSC major or instructor permission

A practical introduction to the various instruments of the percussion family. Students demonstrate correct playing techniques and develop a resource file containing information on percussion instruments and instructional materials as needed by the school music teacher.

(The description is unchanged save for the addition of a prerequisite.)

3. Rationale for Change

Class Percussion I is intended for students who may encounter percussion instruments and music in didactic situations, principally those studying music education. Lately, it has attracted students from outside the department who simply wish to learn to play percussion. The prerequisite will direct them to more appropriate courses.
