<p><b>Rationale for Proposed Changes</b></p>			
<p>Why is the program being revised?</p>	<p>Students may be exempt from the 100 and 300 level courses depending on respiratory care clinical experience and work experience. If they do not have a work history, or minimal experience, they may need to take some or all of the 300 level courses.</p>		
<p>Identify the <b>Program</b> Student Learning Outcomes (SLO). Mark any SLOs that are changing as a part of the Program Revision.</p>	<p>None</p>
