FAQs

HOW DO I ADD A NEW MEMBER WHO JOINS MID-YEAR?

New members can be added to Teaching Circles throughout the academic year. Facilitators will need to send them the *Teaching Circle Member Enrollment Link* so they can officially join.

CAN I JOIN MORE THAN ONE TEACHING CIRCLE?

Colleagues who would like to participate in more than one Teaching Circle will need to enroll separately for each.

CAN A TEACHING CIRCLE LIMIT THE NUMBER OF MEMBERS?

Facilitators may limit the number of members in their Teaching Circle. Once the Teaching Circle has filled, they should send a message to those colleagues who are interested in joining but who cannot be accommodated at this time.

HOW CAN I FIND A TEACHING CIRCLE TO JOIN?

A [list of registered Teaching Circles and facilitator information](#) is updated and maintained on the CTE website weekly. Contact a facilitator to join any OPEN teaching circle.
