## Introduction

Welcome to the Vocational Administrative Director Certificate program at IUP! You have chosen this program because you are interested in becoming an educational leader in career and technical education (CTE). As a leader, you will be responsible for managing a diverse group of tasks, faculty, and staff and will be instrumental in helping others achieve growth, satisfaction, and success with the ultimate objective of improving instruction.

The Pennsylvania Department of Education (PDE) requires that all individuals who are employed as a director in a state-approved Career and Technical Center (CTC) hold state-issued administrator certificate. IUP is the approved provider in western Pennsylvania for this standards-based certification program and we look forward to working with you to achieve this professional goal!

### IUP's Civility Statement

As a university of different peoples and perspectives, IUP aspires to promote the growth of all people in their academic, professional, social, and personal lives. Students, faculty, and staff join together to create a community where people exchange ideas, listen to one another with consideration and respect, and are committed to fostering civility through university structures, policies, and procedures. We, as members of the university, strive to achieve the following individual commitments:

**To strengthen the university for academic success**, I will act honestly, take responsibility for my behavior and continuous learning, and respect the freedom of others to express their views.

**To foster an environment for personal growth**, I will honor and take care of my body, mind, and character. I will be helpful to others and respect their rights. I will discourage intolerance, hatred, and injustice, and promote constructive resolution of conflict.

**To contribute to the future**, I will strive for the betterment of the community, myself, my university, the nation, and the world.

## Center for Career and Technical Personnel Preparation

The Center for Career and Technical Personnel Preparation at Indiana University of Pennsylvania (IUP) was established in 1978 in response to the stated objectives of the Pennsylvania Department of Education-Bureau of Career and Technical Education for a comprehensive program to prepare and upgrade teachers, support personnel and administrators of career and technical education in area technical schools and comprehensive high schools in western Pennsylvania. Since that time, the IUP Center has continued to operate in an effective and efficient manner while delivering high quality CTE educator certification programs that stress integrity and are responsive to the varied needs and requirements of its' constituent groups.

The Center is housed within the College of Education and Communications at Indiana University of Pennsylvania, a member of the State System of Higher Education (PASSHE) and an approved and fully accredited member of the Middle States Association of Colleges and Secondary Schools, the National Council for the Accreditation of Teacher Education, and the Association to Advance Collegiate Schools of Business.

### Mission Statement and Program Objectives

The IUP Vocational Administrative Director Certificate program is designed to be completed in two years and is based on standards established by the Pennsylvania Department of Education (PDE) to prepare individuals to assume the role of institutional leader of career and technical programs. As the administrator, you will be responsible for long-range planning, effectively promoting community involvement, providing for sound business and financial management, and providing state-of-the-art equipment and facilities.

Throughout the certificate program, students will complete in a minimum of 500 hours of embedded authentic simulations, field experiences, and an internship that demonstrate their knowledge of and competence in applying the fundamental concepts of school administration. One, three-credit course is offered each academic semester, including the summer session. However, it may be necessary to enroll in two, three-credit courses when non-VOED courses that are part of the program are offered. Please be aware that if you choose not to enroll for consecutive semesters, you will have to wait until the course that you are sitting out is offered again.

Completion of all PDE required tests and successful completion of all classes with 3.0 GPA are also required.

Students admitted into the Vocational Administrative Director Certificate Program who later wish to pursue the Master of Education in Career in Technical Administration must apply to the degree program before completing 15 credits.

Upon successful completion of the Vocational Administrative Director Certificate program, graduates will:

1. Develop skills necessary for a career and technical director to supervise CTE personnel and effectively manage CTE students.  
VOED 610: Personnel & Student Management in Career and Technical Education
2. Examine the Pennsylvania School Code and federal regulations and apply the Code and regulations for the effective operation of approved career and technical programs in Pennsylvania.  
VOED 611: School Code and Policy in Career and Technical Education
3. Develop a practical understanding of the CTC director's role in budget and facilities oversight as authorized by the Joint Operating Committee (JOC).  
VOED 612: Fiscal Responsibilities and Financial Oversight in Career and Technical Education
4. Analyze landmark and current cases in school and examine the impact of PA School Code to the operation of a CTC.  
VOED 613: School Law and Legal Responsibilities in Career and Technical Education
5. Evaluate elements to build strong work-based CTE programs including curriculum development research, curriculum resources and curriculum mapping.  
VOED 614: Curriculum Development and Analysis in Career and Technical Education.
6. Examine administrative leadership styles and identify personal leadership abilities with consideration given to the unique characteristics of CTE programs and variety of delivery systems.  
VOED 615: Administrative Leadership in Career and Technical Education
7. Explore the connections between families, schools, businesses, philanthropic organizations, and educational agencies that are essential for preparing 21st century learners.  
MEDU 761: Connecting Community and School
8. Enhance their understanding of the current technologies in the classroom.  
MEDU 764: Educational Technology for Today and Tomorrow

## Admission

In addition to the standard graduate admissions requirements, candidates must also provide the following during the admission process\*:

1. Letter of support from career and technical administrator indicating willingness to assist candidate with field experiences.

2. Resume indicating a minimum of three years of relevant professional experience in an educational setting that is related to the instructional process.
3. A copy of applicant's instructional certificate.
