Founded in 1875, IUP is a vibrant, comprehensive, research-based, teaching-focused, student-centered learning community.

IUP combines the academic opportunities of a large university with the highly personalized and intimate learning-centered environment of a small college.

Almost 13,000 undergraduate and graduate students are enrolled in our accredited and nationally recognized programs, enjoying traditional and nontraditional classroom experiences, engaging in research and service activities with their faculty mentors, becoming lifelong learners, preparing for rewarding careers and productive lives, and developing leadership skills for effective citizenship.

IUP's Civility Statement

Students, faculty, and staff join together to create a community where people exchange ideas, listen to one another with consideration and respect, and are committed to fostering civility through university structures, policies, and procedures. We, as members of the university, strive to achieve the following individual commitments:

To strengthen the university for academic success, I will act honestly, take responsibility for my behavior and continuous learning, and respect the freedom of others to express their views.

To foster an environment for personal growth, I will honor and take care of my body, mind, and character. I will be helpful to others and respect their rights. I will discourage intolerance, hatred, and injustice, and promote constructive resolution of conflict.

To contribute to the future, I will strive for the betterment of the community; myself, my university, the nation, and the world.

Department of English and English Education at IUP

IUP's reputation in English Education is recognized in Pennsylvania and nationally for excellence in preparing teachers for today's classrooms, for future graduate studies, and for a lifelong professional career. The English Education certification at IUP will certify you to teach secondary English language arts in Pennsylvania and at least 45 other states. If you are planning to seek employment in a state other than Pennsylvania, be sure to check the specific requirements for that state on the College of Education web page. English Education at IUP offers specialized training for students who wish to teach English at the secondary level. It is a challenging major for students who love English and who desire a career teaching English to young people. The career focus of this major creates a strong bond among undergraduate majors and faculty. The professors who teach English Education courses have taught English in secondary schools and remain active in the profession through research and service at the state and national levels.

Mission Statement and Program Objectives

The Post-Baccalaureate Certificate in Teaching English, 7-12 Program understands and recognizes recent national studies of teacher training that focus on the value of research in teaching literature, composition, and language through academic course work and supervised field experiences. Candidates will fulfill two different semesters of field experiences: (a) 95-hour internship at a local middle or high school, and (b) 15 weeks of student teaching at a local middle or high school. This program is structured for students with a B.A. in English (or its equivalent) who wish to pursue initial teacher certification through the Praxis exam and student teaching required in addition to the core courses, a total of 24 semester hours; some candidates may need to take additional course work, depending on transcript review and meeting the minimum requirements for entrance into the English Post-Bac. and the Three-Step Process for Teacher Certification (see requirements beginning on p. 12). Your advisor will inform you of the total number of credits you will need when you submit a completed application to the program.

What makes our program unique?

- Award-winning, experienced, caring, and dedicated faculty
- Collaborative learning environment among peers and faculty
- Culturally diverse population of students
- Current practice with multimodal learning technology and literacy
- High rates of retention and completion

- • Certification in Other States: The English Post-Bac. certification at IUP will certify you to teach secondary English in Pennsylvania and at least 45 other states. If you are planning to seek employment in a state other than Pennsylvania, be sure to check the specific requirements for that state on the College of Education and Communications website (www.coe.iup.edu/teach/ed/index.htm).

Philosophy of the Program

Current theory and practice suggest that effective English teachers—

- ▪ Have a broad knowledge and understanding of multicultural language and literature and are prepared to teach in schools with diverse populations

- ▪ Introduce and develop problem-posing and problem-solving strategies in their classroom

- ▪ Know how to incorporate technology and use technology as a tool for improving and enhancing English Education and communications

- ▪ Are leaders and model effective leadership in and outside the classroom

- ▪ Advocate and incorporate interdisciplinary studies and projects

- ▪ Create classroom environments where all students can learn by using multiple instructional strategies and adapting instruction for individual needs

- ▪ Are reflective practitioners

- ▪ Take an active role in the community and invite the community into their classrooms

- ▪ Are lifelong learners and grow professionally, contributing something valuable to society

Applications to the program are accepted for summer and fall; we recommend that applicants submit all materials by the end of March so that we have adequate time to secure a school placement. We do not require GRE scores. To request information or to apply, please visit http://www.iup.edu/graduate (click on Graduate Admissions).

We base our admission decisions on the strength of the following:

- Goals statement—A short essay about why you are considering this certification and want to teach secondary English

- Official transcripts for previous colleges attended

- Two letters of recommendation

- A resume or vita (optional but recommended)

The letters of recommendation should be recent (not older than one year) and should be from individuals who are familiar with your academic ability and potential. Letters of recommendation that are specific and detailed tend to be the strongest.

Financial Assistance

Financial Aid and Graduate Funding

Coming to college can be costly, especially for graduate students. Unfortunately, not all students can be offered graduate or teaching assistantships or scholarships in the Department of English. However, there are other means for funding your studies. Check with the Office of Financial Aid at: www.iup.edu/financialaid. There are additional ways to be funded but that must be through graduate studies where you can apply for grants to attend conferences or for research. See: Research at IUP or http://www.iup.edu/page.aspx?id=65579.

- See also www.iup.edu/admissions/graduate/financialaid/assistantships-and-scholarships/. *and*
- The Office of Financial Aid: www.iup.edu/financialaid/

Graduate Student Professional Development Fund

Graduate students can apply for funding to support their participation in scholarly and creative activities that add to professional development in a significant way. The graduate student must provide a clear description of the proposed activity and explain how it adds to his or her scholarly development. As part of the application, a faculty member must describe the importance of the activity as it relates to the student's scholarly goals and educational progress. Examples of eligible activities include: serving as a moderator, discussant or session chair at a disciplinary conference; presenting research methodology for feedback at a roundtable discussion at a conference; or leadership activities related to professional or disciplinary associations. Simply attending a conference, while a valuable learning experience, is not eligible for support.

See also External Funding for Graduate Students at: http://www.iup.edu/page.aspx?id=65583.

Academic Advisement

The program director or another member of the English Education Resource Pool faculty will be assigned to advise individual Post-Bac. candidates.

Academic advisors are to meet with advisees before and at the midterm points of each semester to check in with candidates and to ensure they are on track for certification through course work and the 3-step process in the College of Education.

Students are to follow the Post-Bac. Program Handbook and to bring the Handbook with them to each advising meeting. Students are responsible for meeting regularly with their advisors, taking the proper coursework, and meeting all step requirements in the College of Education for PA certification.

Certificates and/or Certification and/or Licensure
There are three steps for Post-Baccalaureate students to follow for admission to the Certification Track:

Step 1:   Apply for Admission to the Teacher Education Program

To be admitted to the Educator Preparation Program, do the following—

- Apply and receive acceptance to the Post-Bac. Program

- Have transcript review by Post-Bac director and receive course requirement list based on transcripts.

- Meet with Post-Bac director.

- Obtain all clearances by first setting up a Castle Branch account. ACTs: Obtain ACT 34 Clearance, Act 151 Clearance, Act 114 Fingerprinting, Act 126 training, and Act 24.

ACT 34 is a check for past criminal activity and is required by Pennsylvania law for all people who work with children. It involves a record check by the State Police for Pennsylvania residents and also a fingerprint check by the FBI for out-of-state residents. ACT 151 is a check for past child abuse activity and is also required by Pennsylvania law. Act 114, fingerprinting, is now required for teacher certification. Act 24, report of arrest or conviction, must be printed out, signed, and placed in a sealed envelope. Schools are not permitted to allow anyone without these clearances to work in their setting. Forms for these clearances are available in the Office of educator Preparation in 104 Stouffer Hall. You may register and pay for ACT 34 clearance online. An appointment for having fingerprints taken on campus can be arranged through the College of Education at the beginning of the field experience term. Your fingerprints must be registered in order for you to work in a school for both the internship and student teaching.

You may also obtain the required forms online at the PA Department of Education website. There is

a charge for each clearance check. Students who do not have clearances may not be admitted to EDUC courses until they obtain them, as required by Pennsylvania law.

CastleBranch is an online management system that will allow you to upload, maintain, and access your clearances from any electronic device. In addition, CastleBranch will monitor your clearance expiration dates and send individual renewal reminders.

All candidates will be required to obtain a CastleBranch account. The information and directions for creating this account may be found on the LiveText General Forms page. Castle Branch's website is https://portal.castlebranch.com/IH40/spif/IH40/IH40r.

Should you have questions after reviewing the CastleBranch information, please contact the Educator Preparation Office in 104 Stouffer Hall:

Ms. Lynette Colton
College of Education and Communications
Indiana University of Pennsylvania
724.357.2485

- Submit an EDUC 542 placement application to the Educator Preparation Program in order to secure a school placement. The Post-Bac director will discuss this process with you.

- Pass the Speech and Hearing Test. Dates for this are posted at the beginning of the semester. Once you know the date (look for signs in H&SS Bldg., Sutton Hall, and Stouffer Hall), go to the Speech and Hearing Clinic in 263 Davis Hall.

- Pass a Yearly TB Screening Test. The TB test (for tuberculosis) is required by the state of Pennsylvania for all people who work in schools. The test is offered free by the Center for Health and Wellness. Watch the bulletin boards in Sutton and Stouffer Hall for dates.

IMPORTANT—A NOTE ABOUT CLEARANCES: Once you have received your clearances, keep the original copy in a safe place (and make a copy) in case you need to present it when you enter the schools. Plan ahead; not having updated clearances can affect your placements. Each clearance costs $10 and may be paid with a certified check or money order; the clearances are good for one calendar year. **Please be aware, these clearances are also needed for student teaching, and should they expire before you begin your student teaching, you will need to reapply for current, up-to-date clearances**. You must have these clearances to complete both the internship Pre-Student Teaching and student teaching.

Step 2: Meet Eligibility Requirements for Student Teaching

Once you have been admitted to the Teacher Education Program in the College of Education, you must meet the following eligibility requirements to begin student teaching and proceed to Step 2 (which occurs during your spring semester).

- Have a minimum GPA of 3.0
- Completed Step 1 (above)

- Completed all courses with a grade of C or higher
- Passed the Praxis II English Language Arts exam for admission to Student Teaching (5038). The PRAXIS content exams are required by state law and minimum scores are set by the Pennsylvania Department of Education.
- Obtained current ACT 34, ACT 151, ACT 114, Act 24 clearances, Act 126 training, & proof of student liability insurance (In Castle Branch)
- Obtained Speech and Hearing clearances
- Passed updated TB test
- Submitted Step 2 electronic Live Text portfolio review as outlined in EDUC-542, including artifacts related to ISTE standards
- Filed a student teaching application with the Educator Preparation Program *the semester before you plan to do your student teaching.* Be sure to check in with the Post-Bac Director the semester before you student teach and complete the application for student teaching.

You will need to register for ENGL 698 002 Student Teaching (6 credits).

Results of Step 2 approval: Ability to register for Student Teaching

Step 3 - Application for Pennsylvania Teacher Certification

Eligibility Requirements:

- Successful completion of Step 2
- Successful completion of Student Teaching with grade of C or better
- Maintenance of a cumulative GPA of 3.0
- **If needed verification of sliding scale Praxis 2 or PECT results based on final posted GPA
- Final *satisfactory* review of the LiveText Teacher Work Sample
- Completed application for Pennsylvania Teacher Certification
- Copy of TIMS coversheet form PDE website
- Copy of IUP Marketplace receipt for certification processing
- The recommendation of your student teaching supervisor and program coordinator
- The recommendation of the IUP Teacher Certification Officer

Results of Step 3 approval: Recommendation to PA Department of Education for Teacher Certification

Course Descriptions for Clinical Courses

Pre-Student Teaching Field Experience—EDUC 542

Pre-Student Teaching is required by the Pennsylvania Department of Education for secondary English teaching certification and part of the Post-Bac. program at IUP. Such early experiences in schools enable the prospective teacher to connect the theories studied in on-campus courses with classroom contexts. **All placements for Pre-Student Teaching are made by officials in the College of Education and Communications.** During the fall semester, teacher candidates complete

the required 95 hours of observation and participation in schools, create artifacts for their professional portfolios, and set goals for student teaching. The assigned supervisor will make one early contact with the mentor teacher. Later in the internship term, the assigned supervisor will observe the teacher candidate at least once   during the 95-hour period. **Students should not begin their placements until   they have notified their supervisor.**

Pre-Student Teaching Application
Accepted candidates will complete this application with the program director prior to EDUC 542.

Pre-Student Teaching Meeting
The teacher candidate must make arrangements with their mentor teacher prior to the beginning of their assignment. Mentor teachers are expecting to hear directly from you as soon as placements are made, typically over the summer. The Educator Preparation Program will send candidates an email when their placements is confirmed. Look on that email for the e-mail address of the mentor teacher, and send them an email, introducing yourself and asking if there is anything you can do to prepare over summer and when might be a good time to meet.

Student Teaching—ENGL 698 002
The fifteen-week student teaching experience is 6 credits at the graduate level and is the culminating experience for Pennsylvania state certification and completion of the secondary English certification at IUP. This experience complies with the Pennsylvania State, INTASC, and CAEP standards for teacher certification. Students enrolled in this course should have completed all course work requisite for the certificate in Teaching English, 7-12, have filed an application for student teaching, and have been accepted for placement in a school site with a cooperating teacher. Students doing this field experience must have current Act 34 (criminal record check), Act 151 (child abuse) clearances, Act 114 (Fingerprinting), Act 24 (report of arrest or conviction), and Act 126 training, and must have completed up to and including Step Two of the Three-Step Process for teacher certification, including passing the English specialty area exam. Students will also need to complete the Application for PA State Certification (see instructions on the College of Education website in Live Text and in the *Student Teaching Handbook*). Be sure to complete the necessary paperwork for student teaching. *The application for student teaching can be found in the Student Teaching Handbook. Refer to the [LiveText page for student teachers.](#)*

Student Teaching Calendar
The student teaching calendar can be found in [Live Text on the COE website](#). Please look it over carefully and plan accordingly. Student teachers are expected to be in the school whenever it is in session. In-service participation may be required and is professionally   enlightening.

Student Teaching Handbook
Before student teaching, all student teachers must download the *[Student Teaching Handbook from the College of Education website in Live Text](#)*. It is also available for a fee at the Co-op Bookstore. Though some of the information included in the *Student Teaching Handbook* must be adapted for Post-Bac. students, the information is relevant**.**

Student Teaching Placement
 While student teaching, you will continue working with your mentor teacher from EDUC 542 in the same placement. Your university supervisor is the professor of record for your student teaching experience and will assign the grade given. He or she will act as liaison between the school and the

university. Your university supervisor may or may not be a faculty member with whom you have had classes.

Taking Courses While Student Teaching
Taking courses while student teaching is discouraged and will be by approval only. Questions regarding this policy should be discussed with the Post-Bac. Program Coordinator and with the Dean's Associate for Student Teaching. A request for permission form is available in the student teaching office in Stouffer Hall.

Evaluation of Students

For information regarding School of Graduate Studies and Research policies on grading, view the Graduate Catalog: www.iup.edu/gradcatalog

Required Exams
Students must apply and take the Praxis II (English Language Arts Content Test 5038). You must pass this test before you will be allowed to student teach, as it is required for IUP and PA state certification. Be sure to consult the Educator Preparation Program office for test dates and forms. Information is also available on line from the College of Education web site. The most current information may be found under "Forms and Documents." To obtain teacher certification in Pennsylvania, English Education majors at IUP must take the test as follows:

*NOTE: Please be aware of how this test coordinates with the Three-Step Process for Teacher Certification.

When should I take the English Praxis II test? You must pass this prior to student teaching. But, you should not wait until the last testing time before you student teach, in case you would not pass the test; give yourself enough time to take the test twice if needed. For further information about the state required tests for PA certification, please go to the following link: http://www.pa.nesinc.com/Home.aspx

Program Completion

Program Requirements
There will be verification of all requirements for admission to student teaching. If the requirements are not met, you will be sent an e-mail informing you that you will be un-enrolled from student teaching until the deficiencies are removed.

Please see requirements for Step 2 and Step 3 above. Both Step 2 and Step 3 must be fully met in order to complete the certificate program.

Applying for Graduation
Post-Bac teacher candidates apply to graduate in May or in August. Please see the deadlines and procedures on applying for graduation here: https://www.iup.edu/commencement/graduate/how-to-apply-for-graduation/

Electronic Portfolio Step 2 Guidelines

At the end of EDUC 542 (or equivalent internship), students submit an electronic portfolio that includes evidence showing that they have met selected InTASC, NCTE, ISTE, and program standards. Evidence includes artifacts from coursework as well as particular assignments in EDUC 542. The e-portfolio also includes a home page, a teaching philosophy, a reflection on diversity experiences, and a standards page with links to artifacts. At the end of the internship, candidates meet with the supervisor, at which time the supervisor completes the e-portfolio Step 2 checkout. E-portfolios, which candidates place in Live Text, are forwarded to the Teacher Education Office in the College of Education and Communications along with final evaluations, providing evidence of candidates' completion of all internship and Step 2 requirements. The e-portfolio represents necessary components of portfolios (collection, selection, and reflection) and also serves as an assessment tool to indicate candidates' proficiencies while providing evidence for having met CAEP standards.
