New Formula for Distribution of F&A (Indirect) Funds

The distribution model applies two steps:

- (a) Allocate Fixed Annual Cost required to support the Research Institute;
- (b) From the remaining balance available, apportion Incentive Program and University funds to each organizational unit by formula using percentage shares as follows:

Incentive Program

Colleges/Units	45%
Department	5%
Principal Investigator	<u>5%</u>
Subtotal	55%

University Allocations

Graduate Studies & Research	25%
President	10%
Provost/VPAA	0%
Other Support Areas	<u>10%</u>
Subtotal	45%

Approved by the Council of Deans on 11/19/09
