WELCOME SCREEN

DIRECT NAVIGATION

- Resembles Banner8 search function
- Search by exact banner screen
 - Example:
 - type “SFAROVR” and enter
 - It forces you to type it all

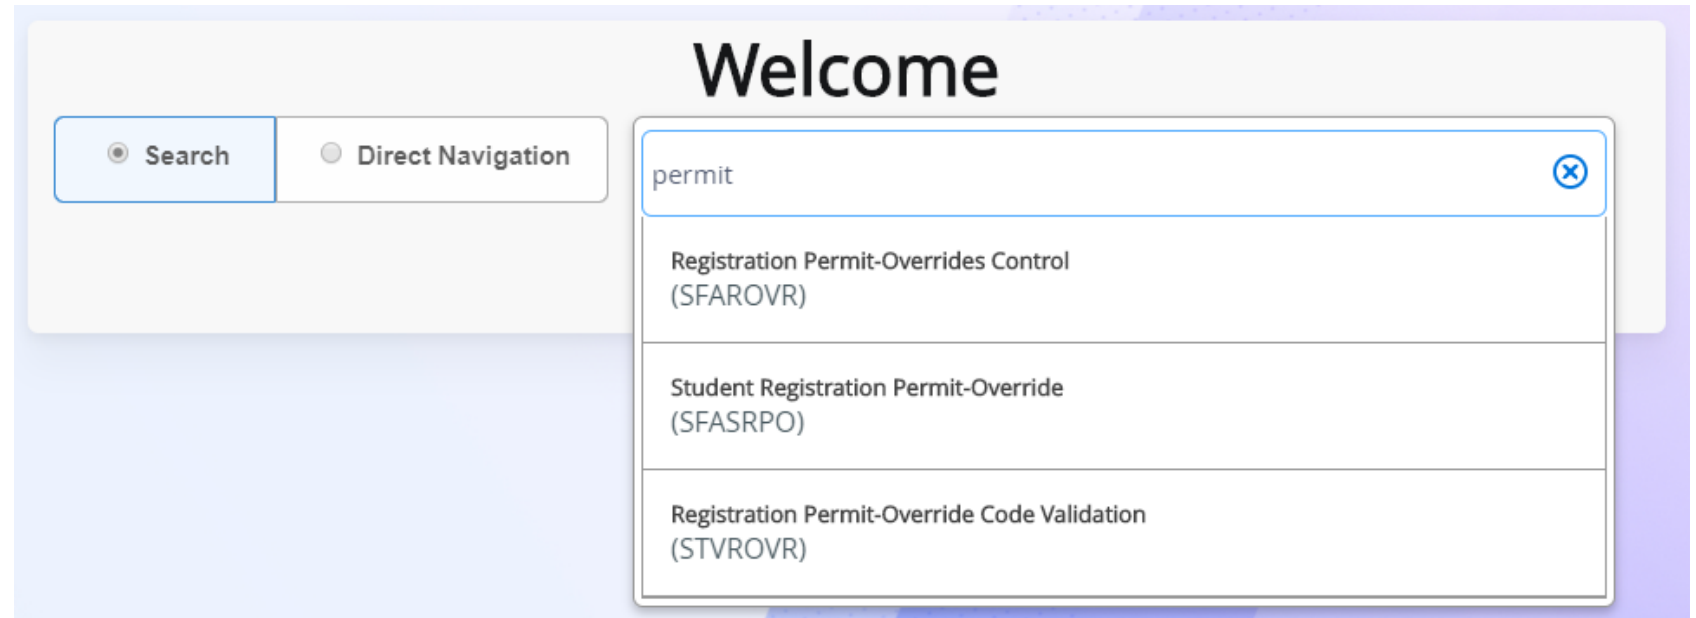

The screenshot shows a user interface with a light gray background. At the top center, the word "Welcome" is displayed in a large, black, sans-serif font. Below this, there are two radio buttons. The first is labeled "Search" and is unselected. The second is labeled "Direct Navigation" and is selected, indicated by a filled circle. To the right of these buttons is a search input field with a light gray border. Inside the field, the text "SFAROVR" is entered. On the right side of the input field, there is a small blue circular icon with a white 'x' inside, used for clearing the text.

- Nothing will populate below in this mode
 - If you type “permit”
 - After typing the screen name

SEARCH

- Search by content
 - Example:
type “permit” into the search bar

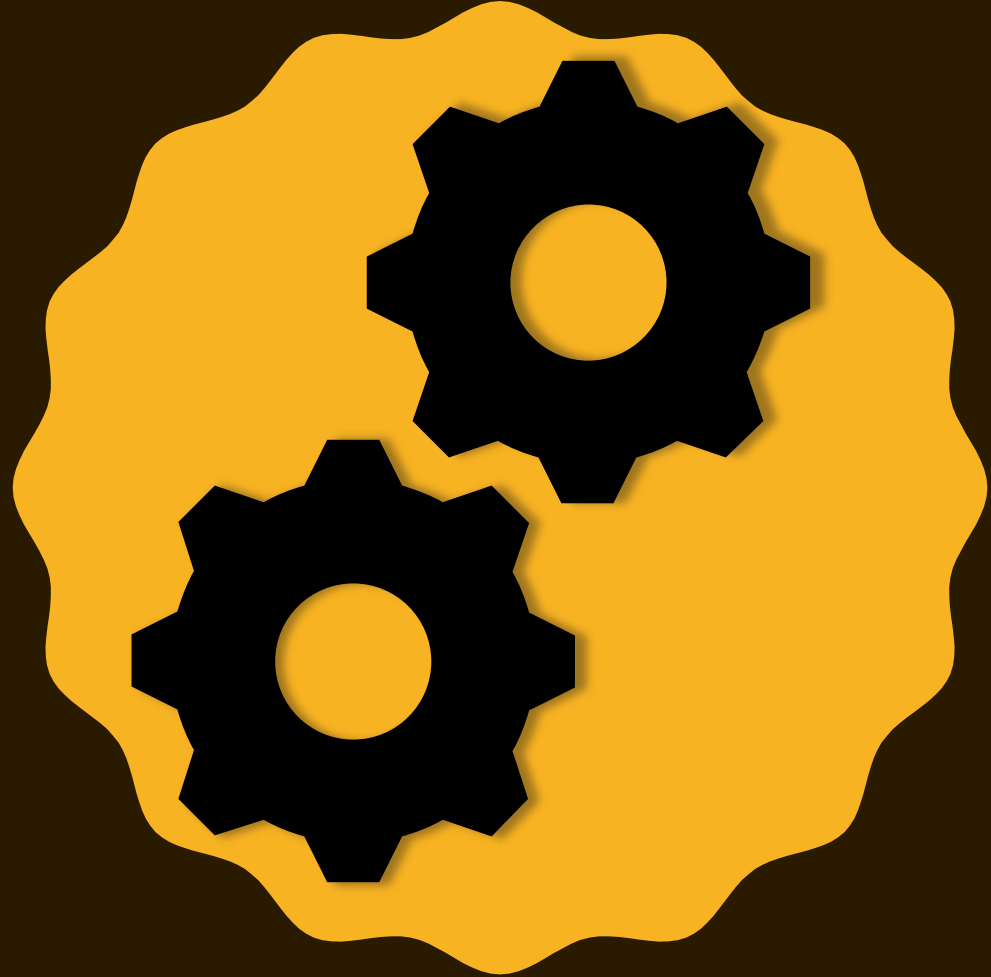

- Use caution
 - First choice populates as soon as enter is pressed

SET DEFAULT SEARCH

- Set search to “Search” or “Direct Navigation”
 - Personal Settings
 - Choose correct radio dial
 - Save

The image illustrates the steps to set default search preferences in a mobile application. On the left, a vertical sidebar menu contains icons for home, grid, search, folder, help, star, share, and profile. An orange arrow points from the profile icon to a 'Personal Settings' screen. This screen has a 'Back to Main Menu' button and three menu items: 'Check Banner Messages', 'My Preferences', and 'Personal Settings'. A second orange arrow points from 'Personal Settings' to a detailed settings dialog. The dialog, titled 'Personal Settings', includes a 'Do you need sign out confirmation?' section with 'Yes' and 'No' radio buttons (where 'No' is selected). Below this is a text input field for 'Preferred initial page' with the placeholder 'Enter Page URL/Acronym/Description'. The 'Search preference indicator' section features 'Search' and 'Direct Navigation' radio buttons (where 'Search' is selected). At the bottom right of the dialog are 'Cancel' and 'Save' buttons.

The screenshot shows a web application interface for 'Schedule Section Query SSASECQ 9.3.15 (Test DB)'. The top navigation bar includes 'ADD', 'RETRIEVE', 'RELATED', and 'TOOLS' menus. Below this, a toolbar contains 'Settings', 'Insert', 'Delete', 'Copy', and 'Filter' options. The main area is titled 'SCHEDULE SECTION QUERY' and has tabs for 'Basic Filter' and 'Advanced Filter'. A row of filter fields is displayed: 'Term', 'Registration From', 'CRN', 'Subject', and 'Course'. The 'Subject' and 'Course' fields are highlighted with a red border. Below the filter fields is an 'Add Another Field ...' dropdown menu. At the bottom right, there are 'Clear All' and 'Go' buttons.

SAVING PAGE LAYOUT SETTINGS

- Small Settings button

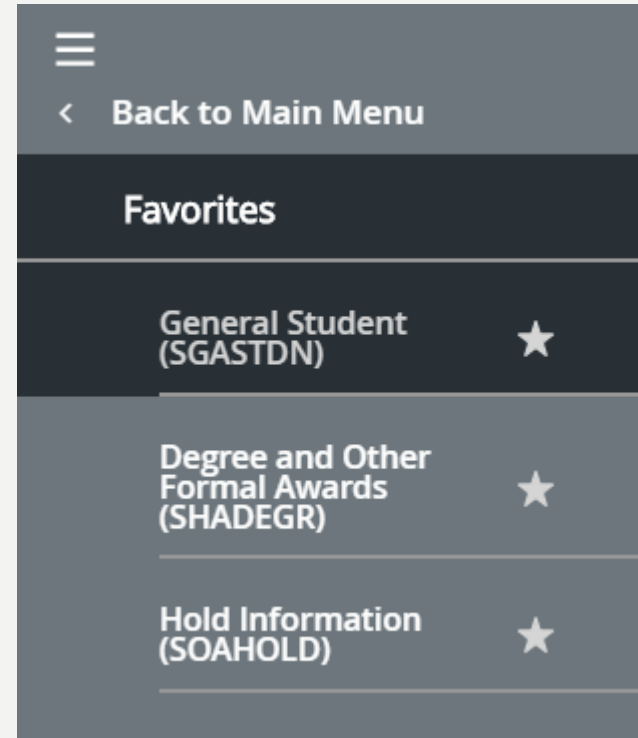

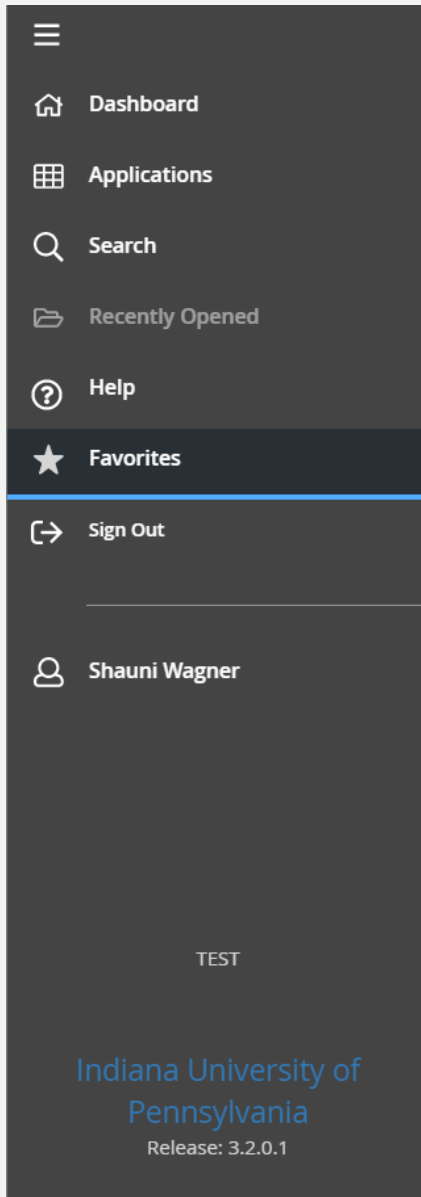

- Save Column/Pagination
