

Specially Designated Nationals Review

U.S persons are barred from conducting business with certain specific persons and companies that have been determined to be controlled by, acting for or on behalf of, targeted countries. You must be aware of these restrictions and know that you are not doing business with individuals or entities on the "Specially Designated Nationals List" (SDN). An SDN search tool is available on the Internet at (<http://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx>). The space below is provided to assist you in documenting your compliance with this Federal regulation. Please complete the information below and check your prospective contacts for clearance.
