

PLEASE NOTE: Pratt Drive is closed directly in front of Sutton Suites to automobile traffic until further notice.

To either entrance: Walk along Pratt Drive until you reach the center courtyard of Sutton Suites and turn into the courtyard. There are two entrances to the Multipurpose room (G98). They are on the North side of the building (HUB side) and are to your left if you are facing into the courtyard from Pratt Drive.

Entrance #1: If the event planner has indicated that they wished this door alarm to be deactivated the door may be opened freely during the duration of the event/program.

Entrance #2: If the alarm on the Entrance #1 has not been deactivated, a second entrance is available just around the corner. This door remains unlocked from 8:00am-8:00pm and all students/staff/faculty may enter into the building during this time. Outside of these times, only residents may enter through this entrance unless escorted inside. If entering through these doors turn immediately to your left once inside. The Multipurpose room is at the end of the hallway.

Parking is available in the HUB parking lot. There are commuter spaces as well as pay spaces. There is a small faculty-staff lot as well.
