Co-Chairs, Graduate Committee

Date: December 8, 1999

To: Undergraduate Curriculum Committee

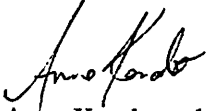

To Whom It May Concern:

The Graduate Committee has approved the course proposal from Dr. Dennis Ausel for the extension of CM 401 Media Field Studies to dual level. However, officially CM 401 has an inactive version called "Folklore of Comm" plus an active version "Media Field Studies", while CM 501, the proposed course number for the graduate version, already exists as a course (although it is inactive) with a different title, "Classroom Use and Motion Picture".

Thus, we support deleting the inactive version of CM 401 and renumbering the active version as CM 408 "Media Field Studies". This will allow us to create the dual level CM 408/508 "Media Field Studies".

Thank-you for your assistance in this matter.

Sincerely,

Anne Kondo and Rich Nowell

Comments: "Media Field Studies" has been created for offering at the dual level.
The undergraduate counterpart is CM 401. CM 501 already exists at the graduate level,
therefore, new numbers are sought for both.

*To sign off on resource implications, confirm that detailed justification of resource sufficiency has been made.
