RE: Title Change in Catalog
DATE: February 16, 1988

I am writing to inform you of a change in the title of a course, English 313, The History of Rhetorical Theory in the next IUP Catalog 88-89. The title is being changed to En 313, Speech: The Rhetorical Tradition.

The change in title does not alter the substance of the course in any way; it simply reflects an emphasis upon speech that has always traditionally been present in rhetoric.
