

Research Appreciation Week

April 2–6, 2012

Schedule of Events

Monday, April 2nd

18th Annual Awards Luncheon

11:30am—1:00pm

Blue Room—Sutton Hall

Sponsored by The School of Graduate Studies & Research

- ◆ This event recognizes and celebrates outstanding achievement in sponsored programs and graduate student research. Current project directors, past award winners and university and community leaders are invited to attend.

Women in Mathematics, Science & Technology Celebration

5:00pm—7:00pm

Weyandt Hall, 1st Floor

Sponsored by The College of Natural Sciences & Mathematics

Research Poster Session: 5:00—6:00pm

Student Awards Ceremony: 6:15pm

- ◆ Join us as we recognize and celebrate research activities and projects by female students and faculty members in the College of Natural Sciences & Mathematics. See <http://www.iup.edu/page.aspx?id=15463> for additional details.

Tuesday, April 3rd

Undergraduate Scholars Forum

8:00am—4:30pm (HUB)

4:30pm—6:30pm Sprowls Hall

Sponsored by The School of Graduate Studies & Research

Prizes furnished by The IUP Research Institute

- ◆ This forum provides all undergraduate students with the opportunity for scholarly development by presenting their original research, scholarly activities and creative endeavors. The public is invited to attend. Please see www.iup.edu/undergradscholars for additional information.

Wednesday, April 4th

Faculty & Staff Poster Session

9:00am—Noon

HUB Susquehanna

Sponsored by the IUP Research Institute

- ◆ The IUP community is invited to attend this session where faculty and staff present current research initiatives through posters and electronic media.

ACPAC Innovation Forum Poster Session

9:00am—Noon

HUB Susquehanna

Sponsored by the Academic Computing Policy & Advising Committee (ACPAC)

- ◆ Faculty share their exploration of technological innovation research through posters and electronic media. The IUP community is invited to attend and support our researchers.

Wednesday, April 4th (cont.)

Graduate Scholars Forum

9:00am—Noon

HUB Ohio

Sponsored by The School of Graduate Studies & Research

- ◆ This forum provide graduate students with an opportunity to showcase their original scholarship through research posters, original works of art and musical and artistic performances. The IUP community is invited to attend.

Thesis/Dissertation Format Workshop

11:00am—Noon

HUB Monongahela 1 & 2

Sponsored by The School of Graduate Studies & Research

- ◆ This workshop will cover the APA and MLA style guides and how to format your thesis/dissertation. IUP formatting and steps for submitting your final copy to start the graduation process will be also be reviewed.

Thursday, April 5th

Practical Strategies for Increasing Statistical Power

11:00am—12:15pm

HUB Susquehanna

Sponsored by The Applied Research Laboratory

Presenter: Dr. Christoph Maier, ARL Coordinator

- ◆ R. Baker Bausell and Yu Fang Li devote an entire chapter of their book "Power Analysis for Experimental Research: A Practical Guide for the Biological, Medical and Social Sciences to eleven strategies for increasing statistical power. The most obvious strategy is to increase the number of subjects but this is all too often not viable. This presentation will briefly discuss concepts such as power and effect size and then cover some of the most viable strategies for researchers at IUP.

Funding Opportunities for Graduate Students

1:00pm—2:15pm

HUB Susquehanna

Sponsored by The School of Graduate Studies & Research

- ◆ External funding is available to graduate students through a variety of sources. This workshop will provide a demonstration of Internet databases through which IUP students can research funding resources.

Researchers' Reception

3:00pm—6:00pm

Cosumel Mexican Restaurant

Sponsored by the IUP Research Institute

- ◆ Join us at Cosumels for appetizers and fun! Share your research interests, explore collaborative opportunities and network with your colleagues.
- ◆ No prior funding required—join us and discover the potential that lies within!
