Current Catalog Description:

Program Requirements

Students accepted into the Honors College as freshmen are required to live in Whitmyre Hall during the freshman year and are encouraged to remain in the honors residence hall throughout their undergraduate career as space permits. Exceptions to the freshman residency requirements will be made only for nontraditional students (students 25 or older or who are married and/or have children) or for students who reside at home with their legal guardians in the Indiana area while at IUP. Application for exemption from this residency requirement should be made in the form of a letter to the Honors College director at the time of application to the program. Honors College students are required to maintain an overall 3.25 GPA. A student who falls below the 3.25 GPA will have one semester of Honors College probation during which he/she may attempt to raise the GPA to 3.25 and remain in good standing. Students who are dismissed from the Honors College due to GPA may apply for readmission after having raised the GPA to acceptable honors standards.

Course Requirements for Students Admitted as Freshmen

Students admitted as freshmen are required to complete 24 credits of honors work including

- **18 credits:** Honors Core I, II, III (HNRC 101, 102, 201) and Honors Core: Sciences (HNRC 202). HNRC 101 and 102 is a first-year sequence; HNRC 201 and 202 may be taken in either order during subsequent semesters. HNRC 101, 102, and 201 replace Liberal Studies requirements for Composition I (ENGL 101), three humanities courses (ENGL 121, HIST 195, and either RLST 100 or PHIL 120), and one fine arts course (either ARHI/MUHI/THTR 101). HNRC 202 replaces Liberal Studies requirements for either one nonlaboratory science and one social science *or* two nonlaboratory sciences *or* two social sciences, depending on the units selected.

- **3 credits:** HNRC 499 Honors Senior Synthesis

- **3 credits:** Additional honors course work

Students are encouraged to complete at least one honors course during every academic year, although it is recognized that this might not be possible for students participating in study abroad or off-campus internships. For information on departmental honors programs, please see the individual college listings. Departmental honors courses count toward the total number of honors credit hours required for Honors College graduation. Students are also encouraged to complete an undergraduate thesis for graduation from the Honors College with distinction. Students may enroll for thesis credit by completing the necessary approval forms and scheduling HNRC 483 Honors Thesis/Independent Study or, in some departments, by scheduling a departmental honors thesis course.

Applicants interested in further information are invited to contact the Honors College Admissions Office at 1-800-487-9122 or 724-357-4971.
