

Liberal Studies Committee Minutes

October 20, 2022, Meeting – 3:45-5:00 pm – Stabley 103

Attendance: Heuer, Hovan, Knoch, Ortiz, Scheib, Siegel Finer, Slack, Smith-Sherwood

Excused: Stenger

Visit from Scott Moore and Paula Stossel, UPC – Student Success Infrastructure – 3:45-4:15 pm

The meeting was called to order at 4:20 pm.

I. Approval of agenda and order – Approved on a Heuer / Scheib motion.

II. Approval of minutes from the September 22, 2022, meeting - Approved on an Ortiz / Heuer motion.

III. Course proposals –

ART 113 3D Design and Digital Fabrication (update) – Smith-Sherwood reported that the revised proposal had been approved by a majority of LSC members voting via email. The revised proposal has been forwarded to the UWUCC for its consideration.

SCI 115 Physical Science Lab (new course --lab to accompany **SCI 105** Physical Science, approved last month)

Heuer / Hovan **Motion to recommend** approval of this new course (lab). Motion carried.

The LSC recommends: 1) the proposer revise SLO 5 to read, “Demonstrate ability to make informed judgements concerning the worth of applications of science,” 2) the proposer populate sections C5 and C6 with information from the accompanying SCI 105 proposal.

IV. Adjournment - Approved on an Ortiz / Heuer motion. Meeting adjourned at 5:00 pm.

Next meeting: Thursday, November 17, 2022, 3:45-5:00 pm, Stabley 103
