Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational, academic or continuing professional programs, you are not expected to complete this or any other IPEDS survey.

- Occupational, may lead to a certificate, degree, or other formal award
- Academic, leading to a certificate, degree, or diploma
- Continuing professional (postbaccalaureate only)
- Recreational or avocational (leisure) programs
- Adult basic or remedial instruction or high school equivalency
- Secondary (high school)

Institution: Indiana University of Pennsylvania-Main Campus (213020)

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

- Public - Select primary and or secondary controls below

- Private for-profit
- Private not-for-profit independent (no religious affiliation)
- Private not-for-profit religious affiliation - Select affiliation below

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the length of the Teacher Preparation program.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the winter, and Graduation Rates data in the winter. **It also impacts the net price calculation in the Student Financial Aid survey.**

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Academic Year Reporting Method (Standard academic terms)
Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

Semester

Quarter

Trimester

4-1-4 or similar plan

Program Reporting Method (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL-YEAR COHORT, and student charges data by PROGRAM.

Differs by program

Continuous basis (every 2 weeks, monthly, or other period)

Hybrid/Mixed Reporting Method (Standard academic terms, other academic calendar)

Part B - Organization - Student Enrollment**4. Does your institution enroll any of the following types of students?**

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.

Checking **Yes** for this question will allow your institution to report graduate level students in Fall Enrollment. If you select **Yes** to enrolling students in one of the listed programs, you will also report tuition for the appropriate program(s).

 No Yes

Do you enroll students in one of the following?

Chiropractic (D.C. or D.C.M.), Dentistry (D.D.S. or D.M.D.), Medicine (M.D.), Optometry (O.D.), Osteopathic Medicine (D.O.), Pharmacy (Pharm.D.), Podiatry (Pod.D., D.P., or D.P.M.), Veterinary Medicine (D.V.M.), Law (J.D.)

 No Yes**6. For Fall 2008, did your institution have any full-time, first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?**

If you answer **Yes** to this question, you will be required to provide Graduation Rates data for the 2008-09 cohort in the winter collection. If you answer **No** to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.

If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2008-09 Enrollment survey, the data will be preloaded below.

No

- This institution did not enroll full-time, first-time (undergraduate) students.
- This institution did not offer programs at or below the baccalaureate level.
- This institution was not in operation in 2008-09.

Part C - Other Survey Screening Questions - Library Expenditures

1. What were your annual total library expenditures for Fiscal Year 2014? 3,906,429

Indicate the total library expenditures at your institution for Fiscal Year 2014. Fiscal year 2014 is defined as the most recent 12-month period that ends before October 1, 2014, that corresponds to the institution's fiscal year.

If your institution does not have any library expenditures, no additional reporting is necessary. If library expenditures are greater than 0, you will be required to report additional information on your library collections in the Academic Libraries component. If the amount reported is greater than 100,000, additional screens will be required in the Academic Libraries component for reporting additional expenditure information. If the library expenditure for your institution has not been calculated, put the best estimate using totals from the previous year plus projected changes.

Institution: Indiana University of Pennsylvania-Main Campus (213020)

Part C - Other Survey Screening Questions - Open Admission

2. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution does not have an open admission policy, you will be required to report Admissions component regarding your admissions procedures and admissions yield.
