

## Admissions 2019-20

Institution: Indiana University of Pennsylvania-Main Campus (213020)  
User ID: P2130201

### Overview

#### Admissions Overview

Welcome to the IPEDS Admissions (ADM) survey component. The primary purpose of ADM is to collect basic information about the undergraduate selection process for entering first-time, degree/certificate-seeking students. This includes information about admissions considerations, admissions yields, and SAT and ACT test scores (if test scores are required for admission). ADM will be collected only from institutions that do not have an open admissions policy for entering first-time students.

#### Recent changes

##### Changes to reporting for 2019-20

- The term 'formal award' has been replaced with the term 'recognized postsecondary credential'
- There is a new instruction to exclude students participating in Experimental Pell (See <https://experimentalsites.ed.gov/exp/approved.html>)

#### Data Reporting Reminders

- Institutions that have scores based on the old (2015) SAT score range should convert scores using the [College Board concordance tables](#)
- Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report admissions as of the institution's official fall reporting date or October 15. Institutions operating on an "other academic calendar", a calendar that differs by program, or that enrolls students on a continuous basis (referred to as program reporters) report admissions as students who enroll any time during the period of August 1 through October 31.
- ADM is only applicable to first-time entering students; do not include other students in the number of applicants, number of admits, and number (of admitted) that enrolled. Only include levels (full-time, part-time) that you indicated were offered in the IC Header. If you made an error in the IC Header, please call the IPEDS Help Desk.

Perform Edits	The number of enrolled students that submitted test scores (SAT + ACT) reported on the Selection Process - Test Scores screen should be greater than or equal to the total number that enrolled full-time and part-time reported on the Selection Process - A/A/E screen. Please correct your data or explain. (Error #14232)	Explanation	Yes	
Reason:	Despite test scores being required, we do not require test scores for students who apply to a campus other than main, have been out of HS for more than 2 years, or are international. Some students we only admit on HS GPA.
