Part II. Description of the Curriculum Change

1. The class we want to delete is "SPAN 400 - History of Spanish Language"
2. Our justification for deleting this course is that it has not been offered in at least 10 years and plays no part in our current undergraduate program. Additionally, we feel that the course's content is more appropriate for a graduate level class.
3. This change will not affect any existing courses or programs. It is not a prerequisite for any of our existing classes.

Part III. Letters of Support or Acknowledgement

Outside of the Department of Spanish, there are no other affected or interested departments or programs.
