Part II. Description of Curriculum Change

Proposed Catalog Description

SPAN 383 Geography and History of Spain

3c-01-3cr

Prerequisites: SPAN 230 and 260 or permission

Introduces a panorama of Spanish physical, social, and economic geography, including the recent autonomic division of the country and the communication among the autonomies. Also reviews the history of Spain from the fifteenth century to the present with special emphasis on today's Spanish institutions.

The proposed change is to add SPAN 260 as a prerequisite.

Current Catalog Description

SPAN 383 Geography and History of Spain

3c-01-3cr

Prerequisites: SPAN 230 or equivalent or permission

Introduces a panorama of Spanish physical, social, and economic geography, including the recent autonomic division of the country and the communication among the autonomies. Also reviews the history of Spain from the fifteenth century to the present with special emphasis on today's Spanish institutions.

Justification/rationale for the change:

The Department of Foreign Languages determined that students were not adequately prepared for upper-level courses when they were allowed to participate in the Valladolid program without having taken SPAN 260 beforehand. Therefore, this proposal is to revert to the prerequisite in the catalog description that was in place before 2010.

Part III. Letters of Support or Acknowledgement (N/A)
